

present a training on:

FOSTERING DUAL LANGUAGE DEVELOPMENT

IN EARLY CHILDHOOD: STRATEGIES FOR HOME VISITORS

In collaboration with:

- UnidosUS
- Start Early
- Save The Children

Description:

Are you a home visitor working with families from diverse linguistic and cultural backgrounds? This engaging and research-informed training is tailored for you! Learn practical strategies to support dual language development in young children, empower families, and promote culturally responsive practices.

This is a 2-4 hour training and can be modified

In-Person is recommended but can be offered virtually

What You'll Learn:

Who Should Attend: This training is ideal for home visitors and early childhood professionals who work with families from culturally and linguistically diverse communities.

Don't miss this opportunity to enhance your skills and support the families you serve!
